

Our Lady of Mount Carmel

Catholic Primary School

MISSION STATEMENT

Our Lady of Mount Carmel Roman Catholic Primary School is a community centred in Christ. Teaching is permeated by the Gospel values and the traditions of our Catholic faith.

We seek to promote a happy, stimulating and caring environment in which each person is valued as an individual with unique talents. The curriculum and activities of the school are carefully framed so that each pupil may fulfil his or her potential and know success. Each will grow in awareness of his or her role within the family, the school and society and be sustained by a deepening relationship with God.

Message from your Headteacher

Our students are working really hard in the class room and are making us proud representing the school on outside visits. I would like to thank Year 4 for presenting our Gospel Assembly, it was enjoyed by all.

Let yes be yes

Parents and teachers are to be admired for the patience they show to their children. Young ones so often make mistakes and refuse to act responsibly, but those in charge of them give them the time and opportunity to change their minds and make amends. Isn't that what God is doing with us? He gives us new chances. Could we do the same with one another? Ask Jesus that, with Him, we may always say YES!

Ask your child what they can do to say 'Yes' to Jesus.

School council

In the first meeting with our new school council members, a suggestion was made to request any educational type games, in good condition, to be donated to the school for pupils to use at wet play/lunch times. Please bring them to the school office to be distributed to classes.

You may have noticed that our statue of Mary has gone missing from our school garden. If you would like to make a donation to help us to replace the statue, we would be very grateful.
