

Our Lady of Mount Carmel

Catholic Primary School

MISSION STATEMENT

Our Lady of Mount Carmel Roman Catholic Primary School is a community centred in Christ. Teaching is permeated by the Gospel values and the traditions of our Catholic faith.

We seek to promote a happy, stimulating and caring environment in which each person is valued as an individual with unique talents. The curriculum and activities of the school are carefully framed so that each pupil may fulfil his or her potential and know success. Each will grow in awareness of his or her role within the family, the school and society and be sustained by a deepening relationship with God.

Punctuality

Being punctual for school means making sure your child is at school and ready to learn before the whistle is blown. There are many ways to ensure your child is on time for school, from making sure their school bags are packed the night before to making sure they get up with plenty of time to eat and get ready. Lost minutes mean lost learning. Did you know that being late 15 minutes every day is the same as missing 2 whole weeks of school over a full academic year?

Being late doesn't only affect your child, it disrupts other children in the class as well as the teachers trying to teach a lesson. However, if you do think you are going to be late, please don't keep your child off school for the rest of the day. Being late and in school is better than being absent and missing out.

Children who were regularly late to school said:

"I feel embarrassed, everyone looks at me."
"I don't know what to do, everyone's started work."

"I miss my friends and they miss me."
"I don't want my parents to get into trouble."
