

Dear Parents and Guardians,

We recently wrote to you all to introduce the next fundraising initiative, the Virtual china challenge! OLMC are hoping to complete a virtual journey all the way to our link school in China, that's approximately

5000 MILES!!!

**WE NEED YOUR HELP TO REACH OUR
DESTINATION!**

All you have to do is pledge the number of miles you will complete of our journey. There are endless ways to get your miles in, why not walk them, run them, cycle or swim them, you could even use your scooter (so long as it's foot powered!) it's up to you.

Miles can also be done on the treadmill or exercise bike at the gym, the golf course or walking the dog.

Runners, why not use this event to motivate you in your training?

Why not add up all the miles you usually do, challenge yourself to add a few more and make a pledge to our journey.

How does the challenge work?

- Register for the challenge (**£5 registration fee to be sent to school by Friday 22nd March in a named envelope**)
- Pledge a number of miles (set your own target, 10 miles minimum)
- Do the miles (doesn't have to be all in one go, break it down into smaller distances throughout the month of April).
- Provide your proof (upload a screenshot from Strava/ Fitbit etc to our closed Facebook page (OLMC china challenge) or a written list can be handed in to school.
- Receive your medal for your efforts (exclusively designed by one of our pupils)

The challenge is set to take place during the **month of April**, (two school weeks and two weeks school holidays, so plenty of time to challenge yourselves).

All money raised will go towards a sports facility that will benefit all our pupils.

We really hope you will join us on this virtual challenge and have fun along the way, why not challenge your family and friends?

Thank you for your continued support.

God bless,

The Governors of Our Lady of Mount Carmel school

Virtual China Challenge 2019

Name.....Class.....

All medals for participants on this form will be given to the child named above to distribute.

OLMC school and its Governors takes no responsibility for loss or injury however sustained whilst taking part in this challenge. Please challenge yourself within your capabilities. **Please ensure children are supervised by a responsible adult.**
